

GAA Club Hirers Insurance

The GAA Club Hirers Insurance scheme means you can now promote the use of your facilities in all kinds of ways, and raise much needed funds for your Club, secure in the knowledge that your premises and all participants are fully insured. To ensure the safe enjoyment of your event, activity or meeting, it is essential that you arrange insurance cover for the participants and for the Club's property.

The scheme is used to facilitate the use of GAA premises by 3rd parties. These 3rd parties can now put insurance cover in place to cover their activities. It provides protection for themselves and the GAA as the property owner. An annual policy is now available to simplify matters. From 2008 property and liability premiums will be based upon the claim records of individual counties. The GAA can no longer afford to pay the claims from 3rd parties.
