Club Development has to become the most important element of the GDAs work with the emphasis on recruitment and developing proper coaching and administrative structures.

It is vital that the GDA establishes a strong and trusting relationship with all clubs in their cluster. The GDA has a major role in ensuring that all clubs receive the necessary support to develop and implement proper coaching programmes.

The GDAs are available to assist clubs in the following areas;

Setting up a club nursery Programme, Coaching Courses at Foundation & Award 1,

Delivering coaching workshops to club coaches, Designing a club coaching plan, Identifying a players skills pathway and club coaching booklet

For more information on any of the above please contact Noel Hartigan or any of the GDAs

Message from Limerick County Board Childrens Officer

It is both a Legal requirement and a GAA Rules requirement that everybody involved with teams containing players 18 years and under must be

- Garda Vetted (renewed every 3 years as per Law)
- Have attended a Child Safeguarding 1 workshop (refreshed on line where required)
- If involved in coaching have attended at least a Foundation Level coaching course.

Some other relevant points;

- Club Childrens officers are appointed.
- Childrens officers should be part of Senior Club Executive.
- Senior Club Secretary gets an email each time a club member applies to be Garda vetted and again when the process is complete.
- Code of Behaviour (underage) should be adopted as Club policy so that breaches can be dealt with by the Club.
- Designated Liaison Person (person who reports and liaises with the Statutory Authorities in the event of concerns coming to notice in relation to children) is the Senior Club Chairperson unless a DLP has been appointed.
- There should be ongoing liaison between Senior Club, Bord Na nOg and Club Childrens Officer to ensure ongoing compliance by all involved with 18 year olds and under.
- Child Safeguarding Statement should be displayed on club premises for information of club members, parents/guardians and children.
- Clubs are presently completing a self assessment Audit as requested by the Irish Sports Council.

Any queries contact me anytime on 085-190 1900 or email childrensofficer.limerick@gaa.ie

Do Gach Runaí

Please find within The Master Fixture List for 2022. All Championships, Leagues and special competitions are included.

Please note the following Regulations governing the Master Fixture List.

1. In the All County Leagues, Minor Championships and Competitions the first named have the home venue other than championship games that require neutral venues.
2. Home clubs are responsible for the condition of the field (Flagged and Lined etc.) and may take a gate.
3. Clubs whose fields are not playable must nominate an alternative venue or concede home advantage.
4. If a club is reported twice by a referee as not being in good condition i.e. not flagged or lined, the club will forfeit their remaining home games in the league.
5. Rules re: Late fielding will strictly apply
6. A club who gives two walkovers in the County League and championships will be eliminated from that league or that championship and fined by the Committee in Charge.
7. Teams should be properly attired for all games. When there is a clash of colours both clubs are requested to change. Failure to do so will result in penalties as the discretion of the committee in charge.
8. Clubs must play without their county players if necessary.

9. The CCC may at their discretion change or amend fixtures depending on circumstances. A fixture may be changed due to a bereavement (mother, father, brother or sister) if the fixture is on the day of the removal or ceremony.
10. Please note that rules 2, 3, 4, 5, 6, 8, 10 also apply to the U17 Championships and competitions.
11. In all Championships or Leagues where a programme is produced clubs must cooperate with the producer or programme coordinator and line out according to the numbers on the programme. Failure to do so will result in a fine of €100.00. The CCC reserve the right to impose further sanctions (are their discretion) if there are further indiscretions.
12. In all Championships a maximum of 10 in hurling and 7 in football will be permitted on the side-line at enclosed venues.
13. Results are to be rang in, text or emailed to the County PRO on the day of the game. Failure to comply with this will result in a fine by the committee in charge.
14. A Club that gives a walkover in the Relegation Final will be automatically be relegated. A club that gives a walkover in the Relegation Semi Final will be automatically in the Relegation Final.
15. Extra Time will be played in all league and championship knockout fixtures.
16. The CCC along with the clubs will review the County League structure in the Autumn. If the structure is changed finishing positions in the League 2022 will determine positions for the 2023 League campaign.
17. Rounds in the Championship may change, dependant on the progress of County Teams. The CCC will have discretion with regard to the fixing or re-fixing of these Championship rounds or fixtures.
18. Divisional finalists in Junior (B) Hurling and Football championships qualify for the County Quarter-Finals.
19. The Under 21 and Minor Hurling and Football Championships be run on an all County basis in a manner to be recommended annually by the County CCC and approved by County Committee.
20. Where possible, all championships must be completed within the calendar year.
21. Pairc na nGael, Mick Neville Park & the Kilmallock Rd Campus shall be considered neutral venues for all competitions. All Senior Football and Hurling Championship Finals shall be played in Pairc na nGael unless the CCCC fixes an alternative venue.
22. A venue once fixed shall not be altered under any circumstances except where a field is unavailable or is deemed unplayable or circumstances determined by the CCC.
23. In inter divisional stage of championships the draw rotates.
24. In a league competition or the league part of a championship where 2 clubs are equal on points and both progress to the same stage of the competition e.g. both qualify for the semi-finals/quarter-finals and the procedures set down in Rule 6.21 T.O. 2017 fails to resolve the placings the tie shall be decided by the toss of a coin.
