Réamhrá:

Ar son Coisde Condae Luimni, ba mhaith liom failte a chur romhat chuig an Leabhrán Eolais don bhliain 2023.

The Leabharan Eolais is an integral resource for clubs and units in Limerick G.A.A. The information is collated each year which covers all club information, county & sub committees, fixtures & regulations for all our county leagues and championships. As well as this useful booklet, clubs and units can also be kept up to date via our Limerick G.A.A. website and associated social media platforms.

My thanks to all who have contributed to this edition of the booklet, in particular to all the Sub Committees, Divisional and Club/Unit Secretaries for their information.

I would like to acknowledge all my colleagues for all their help and assistance with the editing of this book.

We wish all Limerick clubs and all county teams every success for the remainder of the year which is truly a historic and memorable time for Limerick GAA.

Many thanks

Is mise le fior mheas

Limerick Coaching & Games

The Limerick Coaching & Games department is Located in Aras Mumhan. All correspondence can be posted to:

Coaching & Games,
Aras Mumhan,
Newcastle,
Castletroy,
Limerick.

Club Development has to become the most important element of the GDAs work with the emphasis on recruitment and developing proper coaching and administrative structures.

It is vital that the GDA establishes a strong and trusting relationship with all clubs in their cluster. The GDA has a major role in ensuring that all clubs receive the necessary support to develop and implement proper coaching programmes.

The GDAs are available to assist clubs in the following areas;

Setting up a club nursery Programme, Coaching Courses at Foundation & Award 1,

Delivering coaching workshops to club coaches, Designing a club coaching plan, Identifying a players skills pathway and club coaching booklet

For more information on any of the above please contact James Ryan or any of the GDAs

Message from Limerick County Board Childrens Officer

It is both a Legal requirement and a GAA Rules requirement that everybody involved with teams containing players 18 years and under must be

- Garda Vetted (renewed every 3 years as per Law)
- Have attended a Child Safeguarding 1 workshop (refreshed on line where required)
- If involved in coaching have attended an introduction to coaching course.

Some other relevant points;

> Club Childrens officers are appointed .

> Childrens officers should be part of Senior Club Executive.

> Garda vetting applications are processed through Foireann

> Code of Behaviour (underage) should be adopted as Club policy so that breaches can be dealt with by the Club.

> Designated Liaison Person (person who reports and liaises with the Statutory Authorities in the event of concerns coming to notice in relation to children) is the Senior Club Chairperson unless a DLP has been appointed.

> There should be ongoing liaison between Senior Club, Bord Na nOg and Club Childrens Officer to ensure ongoing compliance by all involved with 18 year olds and under.

>Child Safeguarding Statement and Anti Bullying policy should be displayed on club premises for information of club members,parents/guardians and children.

> Clubs are presently completing a self assessment Audit as requested by the Irish Sports Council.

Any queries contact me anytime on 085 1901900 or email childrensofficer.limerick@gaa.ie

Gerry McNamara Limerick GAA Childrens Officer

Limerick GAA Health & Well Being/Games for All Committee

The Committee are available to provide signposting to clubs and members where necessary . There is also guidance available should any Critical incident occur in a club. The following are deemed Healthy Clubs -

Claughaun, Galbally, Glenroe,Hospital Herberstown ,Killeedy, Monaleen,Mungret St Pauls, NaPiarsaigh, Oola ,Tournafulla,Doon & Athea This will be added to further in 2023

In relation to Games for all the GAA have a policy of inclusivity of all and during the year we hope to have look at ways we could promote that further within Limerick GAA.A number of events were organised by clubs during 2022 and proved very successful.

Committee for 2023

Master Fixture Programme 2023

Please find herewith The Master Fixture Programme for 2023.

Please note the following regulations governing the Master Fixture List.

1. In the All-County Leagues, the first named have the home venue other than championship games that require neutral venues.

2. Home clubs are responsible for the condition of the field (Flagged and Lined etc.) and may take a gate.

3. Clubs whose fields are not playable must nominate an alternative venue or concede home advantage.

4. If a club is reported twice by a referee as not being in good condition i.e. not flagged or lined, the club will forfeit their remaining home games in the league.

5. Rules re: Late fielding will strictly apply.

6. A club who gives two walkovers in the County League and championships will be eliminated from that league or that championship and fined by the Committee in Charge.

7. A Club that withdraws from the County League will face a fine and/or other penalties as deemed appropriate by the CCC.

8. Teams should be properly attired for all games. When there is a clash of colours both clubs are requested to change. Failure to do so will result in penalties as the discretion of the committee in charge.

9. Clubs must play without their county players if necessary.

10. Changes from original dates will not be entertained unless in extreme circumstance. All requests for fixtures must be emailed to the County Assistant Secretary assistantsecretary.limerick@gaa.ie and Chairperson of the CCC vicechairperson.limerick@gaa.ie .

11. In all Championships or Leagues where a programme is produced clubs must cooperate with the producer or programme coordinator and line out according to the numbers on the programme. Failure to do so will result in a fine of €100.00. The CCC reserve the right to impose further sanctions (at their discretion) if there are further indiscretions.

12. In all Championships a maximum of 10 in hurling and 7 in football will be permitted on the side-line at enclosed venues.

13. A Club that gives a walkover in the Relegation Final will automatically be relegated. A club that gives a walkover in the Relegation Semi Final will be automatically in the Relegation Final.

14. Extra Time will be played in all knockout games in League and Championship. Finish on the day will be implemented in all knockout games as deemed appropriate by the CCC.

15. The County Leagues shall be run on a Divisional Basis with the winners progressing to the County League series.

16. Fixtures may be changed at the discretion of the CCC. All Championships that progress to the Munster Club Championship will take preference.

17. The U19 Championships shall be run as a secondary competition. Structure for the competition shall be designed by the CCC.

18. The U21 Championships shall be run in the Autumn with the structure designed by the CCC.

19. Player Permissions shall be processed by March 31st and shall not be amended after that date.
